Lamma

Our Lamma Outdoor Centre is the perfect escape from our everyday routine and the place to get in touch with nature and our family. No noise, no car, no television, no computer; only you and endless possibilities. Come take a morning swim in our lake or listen to the beautiful voice of nature. Whether you are an outdoor enthusiastic or an exhausted soul looking for a refreshing pause, you will find something suitable for you here. We have also set a low capacity to ensure you can enjoy more than enough personal space with the nature.
