

Adventure Camps

Ages
5-7

It is the season to be jolly! Christmas is just around the corner! When Santa Claus and the little elves are busy getting ready for Christmas, jingle all the way to Adventure Camps and let us provide ultimate and endless fun and games to little campers to get in the festive spirit! Adventure Camps are designed to bring out the adventurous and curious side of your little ones. Campers at Adventure Camps are encouraged to participate in a wide variety of activities as they meet new friends. Your children will become more independent by interacting with their peers. There is no better way for campers of this age to learn and explore than with other campers of similar age and ability. We guarantee your children can experience Christmas in a joyous and playful way and they will return home every day with BIG SMILES on their faces!

All Adventure Camps are conducted in English

To ensure safety of young kids, we maintain a low staff-to-camper ratio in each Adventure Camp.
