Residential and Tenting

When you talk to kids who have been a YMCA residential camper, they will tell you it was one of their best experiences in lives. In our Residential Camps, campers are busy having fun and building friendships while practicing YMCA camp's four core values: caring, respect, honesty and responsibility. Safety is always our top priority and we strive to provide a positive environment for kids to develop confidence and learn to work well with others. Thousands of lasting friendships and fond memories are made through our camps. Whether it's your child's first time away from home or he/she just can't get enough of the fun, we look forward seeing your child in our Residential Camps!

All Residential and Tenting Camps are conducted in English

Camp Hour:

Assembly at 0900 on first day

Dismissal at 1530 on last day

Phase I :

- Half indoors, half outdoors
- Learning focuses: independency, responsibilities to self and others, making choices.
- Explore and discover interests and potentials; try & learn.
- Fun-oriented activities and experiences

Junior Residential Camp

Your child's first experience away from home requires great care and special attention to provide a supportive and caring atmosphere. This programme is carefully designed to ease all kids into what can otherwise be an overwhelming experience. Campers will take another step in learning how to take care of themselves and take up responsibilities with the help of our experienced staff. Activities include sports activities, mass games, art & craft, reflection time, and special secret mission tasks. Come and explore your child's potential. This is an experience your child will proudly share with their family and friends all year long!

Overnight Tenting Camp

Playing games on grass fields, learning how to pitch a tent, toasting marshmallow at the campfire, sharing stories under the stars, exploring what the nature has to offer! That's Camping!! Overnight tenting develops independence, self-confidence, teamwork, adaptation skills, and appreciation of the outdoors. It would be also a challenging experience for your child to spend a night in the wild. Camp activities include outdoor cooking, basic outdoor skills learning, field games, and of course, camp fire.
