Message to campers

Building Strong Kids, Building Champion Childhood.

Camping is a life experience; it is an attitude towards life. Be creative, be persistent, be charming, be witty, be positive, be a champion in life. In camp, children learn about confidence: that "I can" is much more powerful than "I can't". They discover their talents and passions through challenges by choice. All campers are warmly accepted simply as who they are. Campers will be encouraged to try new things and challenge themselves at a pace they are comfortable with and be successful at them, during this process, YMCA values will be embedded as well which includes cultivating campers' body, spirit and mind.

YMCA Camp is a place where caring, courage, and other characters are born. Whether your family is new to camping or you are one of our many expert campers, we look forward to sharing another joyful Summer season with you. Please visit our website or contact our camping office to find out more about camps.

Yours,

Camping

Camping Team

WHO ARE WE?

Thanks to support of our parents, YMCA has become a household name when it comes to summer camps, this also gave us the privilege of being able to carefully select our Camp Leaders who are passionate about camping. They are exclusively university students from both local and overseas and are all fluent in English. Our camps will be delivered entirely in English by them, and they will also be put through extensive training to ensure their camp leading ability is up to par.

Campers also gain a sense of global citizenship while acquiring insights on foreign cultures, having leaders from various backgrounds acts as an opportunity for diversity hence acceptance to other groups of people can subsequently be fostered. Therefore, we strongly encourage our campers to converse with them and hear what they have to share about their countries.

To show solidarity and unity, we are working in collaboration with international YMCAs to have leaders come in from countries all over the world with the goal of empowering youth and leaders of the future in the process. They are all veteran camp leader in their own countries and will be able to bring new elements to the table.

OUR VALUES AT CAMPS

Welcome to YMCA Summer Camps, where adventure meets our core values of honesty, caring, respect, and responsibility! Get ready for an action-packed experience that goes beyond typical camp fun.

Honesty is our compass, guiding campers to embrace authenticity and speak with integrity.

Caring is at the heart of our campfire, fostering a supportive environment where campers become a family, sharing laughter, friendship, and kindness.

Respect is the cornerstone of our camp culture, promoting understanding and acceptance through interactive games, exchanges, and adventures.

Responsibility empowers campers to be leaders, taking ownership of actions and making a positive impact on the environment.

At YMCA Summer Camp, our values are rooted in the Christian faith, which underlies our commitment to fostering a nurturing and inclusive community. Through our activities, we aim to instill timeless principles of love and grace.

Join us at YMCA Summer Camp, where adventure and our core values intertwine to create lifelong memories. Together, let's explore, grow, and embrace the transformative power of our camp community.

See you around the campfire!

Summer is almost here! Help your little ones make lasting memories by having their first camp this summer with our Adventure Camps! Adventure Camps are designed to bring out the adventurous and curious side of your little ones. At Adventure Camps, campers are highly encouraged to participate in a wide variety of activities while having chances to meet new friends. Your children will develop independence by interacting with same-aged peers, and be entertained with fun, educational and eye-opening activities.

We believe character development can be fostered in Adventure Camps. It is an essential piece for a child's healthy growth and is the foundation for lifelong learning. We guarantee your children can experience summer in a joyous and playful way and they will return home every day with BIG SMILES on their faces! "CHILDREN'S CLASSICS" DAY CAMP

In this story-based camp, we select classic children stories that bring out the hero in your child to give them courage, laughter, and excitement whenever they face a challenge. Campers will not just read or listen, but experience the stories through different interactive activities. We believe character development can be fostered in Children's Classics Camp. It is an essential piece for a child's healthy growth and is the foundation for lifelong learning. Thus each camp is going to focus on a main value suggested by the story and activities are also designed to embed the values in hope to build and strengthen our children's character. Each camp also includes a story-related outing to enrich their learning.

Activities Include: Out-trips to Disneyland (Full Day), Swimming (Half Day), Creative Arts, Cookery (Snack-making), Drama Activities, Special Themed Activities, Storybook Making, Indoor Camp Games & Songs

All out-trips, outdoor activities and swimming activities are subject to change according to the weather and availability of the venues.

EXPLORER DAY CAMP – URBAN FOREST

Instead of mass games, children nowadays have ipad. Instead of toys, they have apps. Nature creates opportunities for children to be inventive. The medium, through which children interact in nature, whether it is mud puddles, picking up green leaves, or shells picked up along shoreline, are tactile and interactive in a way that a touchscreen can never be. In this camp, we seek to foster an appreciation of our nature, and the love of nature; by inviting the campers to explore the world around them through indoor and outdoor experiential learning. Campers learn about nature while having fun, being safe and discovering new ways of seeing and doing things with joy. Climb into a week of fun with the nature and enjoy the beauty of it.

What better place to learn basketball than the very organisation which invented it? Camp Behaviour Policy

If a situation arises where a camper threatens the safety or security of another camper, or if a camper shows disregard for camp guidelines, we will make every appropriate effort to inform the parents involved and to correct the behaviour to provide a positive camp experience for everyone. However, should disruptive behaviours continue, the child may be dismissed from the camp at the discretion of the YMCA. The YMCA will not be held responsible for any costs associated with a child's dismissal on the grounds of disruptive behaviour.

Safety and Hygiene Policies

Safety at camp is always our first priority. We have implemented a few policies to ensure the health and well-being of everyone at camp, both campers and staff:

Hygiene – we have hand-washing breaks at regular intervals through the camp schedules to reduce the chances of spreading germs. Caring and sharing are important values we teach at camp, however we are asking everyone to not share personal snacks during camps. Also, our staff will adhere to strict food handling procedures during cookery programmes and mealtime.

Sick campers – we will be working with all families to ensure the safety of all campers. We are asking all campers to remain at home if ill. The YMCA reserves the right to send home all ill children or staff.

Campers taking medicine – if campers need to take medicine during camps, parents need to inform the camp coordinator during registration time in the morning. You are required to fill in a Medicine Authorization Form (back of the Medical Form). For safety concerns, the coordinator will help the younger campers to keep the medicine.
