八段錦是一種優秀的中國傳統保健氣功。八段錦健身氣功形成於十二世紀，後在歷代流傳中形成許多練法和風格各具特色的流派，它動作簡單易行，功效顯著。古人把這套動作比喻為「錦」，意為動作舒展優美，如錦緞般優美、柔順，又因為功法共為八段，每段一個動作，故名為「八段錦」。Baduanjin is an excellent traditional Chinese health care qigong exercise. It was created in the twelfth century and was later expanded into a number of schools with different methods and styles which were simple and effective. The ancients compared this set of movements to "Jin (brocade)", which means that the movements are beautiful and supple like brocade. As this qigong exercise has eight sections and each contains one movement, hence it is named "Baduanjin (Eight Pieces of Brocade)".

劍橋英語

Cambridge English (Ages 5-10)

Language : English

Cambridge English: Young Learners (YLE) is a reliable and consistent measure of how well your child is doing in the skills of listening, speaking, reading and writing. Examinations are designed to make learning fun and children are encouraged by working towards certificates and earning the 'shields' that record their progress. There are three levels for children to work through Starters, Movers and Flyers, with Starters being the first, aimed at children with very basic skills who are aged 5 or above.

As children develop and work their way up to the Flyers certificate, they reach a level that will enable them to aim for the Cambridge English: Key (KET) in our General English range of certificates - qualifications which will be of value for further study.

Jolly Phonics (Ages 4-6)

Language : English

Jolly Phonics is an early systematic phonics programme designed to teach children to read and write. It is a structured approach to teach 5 basic skills which are: learning the letter sounds, letter formation, blending, identifying the sounds in words and tricky words (irregular words). The key advantages of this system are that it teaches children all the main letter sounds early on and it needs relating the sounds to the symbols, to enhance the understanding of the alphabetic code used for reading and writing.

Remarks:

1. An evaluation report will be distributed to participants on the last class for promotion use. If your child stops for 2 consecutive quarters, an assessment (\$90 non-refundable fee) needs to be arranged before re-enrolment.
2. Phonics assessment fee is \$90 (non-refundable). It is for children who have learned Phonics outside of the YMCA who wish to enrol Phonics 2 to 4 programmes. Please call 2268 7755 to make an appointment.

Jolly Phonics Level 1

The course aims at introducing the child to the relationship between sounds and letters. Sounds will be taught following the Jolly Phonics sequence. Children will also learn some tricky words and how to blend CVC words (consonant-vowel-consonant).
