

YMCA SUMMER CAMP

港青夏令營2026

MESSAGE TO CAMPERS

Building Strong Kids, Building Champion Childhood.

At YMCA Camp, we believe in embracing life with creativity, perseverance, positivity, and confidence. Camp is a place where children learn that “I can” is far more powerful than “I can’t.” Through challenges by choice, campers discover their unique talents and passions while building self-belief and resilience.

Every child is welcomed and valued for who they are. Campers are encouraged to try new experiences, challenge themselves, and grow at a pace that feels right for them—celebrating success along the way. Throughout this journey, YMCA values are woven into daily camp life, nurturing the body, mind, and spirit of every camper.

YMCA Camp is where caring, courage, and character take root. Whether your family is new to camping or you’re one of our seasoned campers, we look forward to sharing another joyful and meaningful summer with you.

Yours,

Camping

WHO WE ARE?

Thanks to support of our parents, YMCA has become a household name when it comes to summer camps, this also gave us the privilege of being able to carefully select our Camp Leaders who are passionate about camping. They are exclusively university students from both local and overseas and are all fluent in English. Our camps will be delivered entirely in English by them, and they will also be put through extensive training to ensure their camp leading ability is up to par.

Campers also gain a sense of global citizenship while acquiring insights on foreign cultures, having leaders from various backgrounds acts as an opportunity for diversity hence acceptance to other groups of people can subsequently be fostered. Therefore, we strongly encourage our campers to converse with them and hear what they have to share about their countries.

To show solidarity and unity, we are working in collaboration with international YMCAs to have leaders come in from countries all over the world with the goal of empowering youth and leaders of the future in the process. They are all veteran camp leader in their own countries and will be able to bring new elements to the table.

OUR VALUES

Welcome to YMCA Summer Camps, where adventure meets our core values of honesty, caring, respect, and responsibility! Get ready for an action-packed experience that goes beyond typical camp fun.

Honesty is our compass, guiding campers to embrace authenticity and speak with integrity.

Caring is at the heart of our campfire, fostering a supportive environment where campers become a family, sharing laughter, friendship, and kindness.

Respect is the cornerstone of our camp culture, promoting understanding and acceptance through interactive games, exchanges, and adventures.

Responsibility empowers campers to be leaders, taking ownership of actions and making a positive impact on the environment.

At YMCA Summer Camp, our values are rooted in the Christian faith, which underlies our commitment to fostering a nurturing and inclusive community. Through our activities, we aim to instill timeless principles of love and grace.

Join us at YMCA Summer Camp, where adventure and our core values intertwine to create lifelong memories. Together, let's explore, grow, and embrace the transformative power of our camp community.

See you around the campfire!

PARENTS' TESTIMONIALS

Thank you to the parents who trust us with their children. Watching campers grow in confidence, build friendships, and have fun is at the heart of what we do — and hearing how our camp has made a difference means so much to us.

“The camp was amazing and the leaders were friendly, enthusiastic and had great patience. The awesome camp leaders made a big difference and elevated the camp from just fun to unforgettable! Oliver had such a great time and he was sad when the camp ended. A big thank you for running such a unique program. — **Parent of Oliver**”

“My child has gained significant personal growth after joining this residential camp. He was able to overcome a number of challenges that he faced during daily life. Thank you very much for the support from all the YMCA camp leaders that they have made a positive impact on this successful camp experience. — **Parent of Howie**”

“I think the best compliment I would give is Marceline said she wants to grow up and be a camp leader to lead YMCA summer camps! Salute to you all! — **Parent of Marceline**”

“Abbie enjoyed the camp with the camper leaders and new friends very much! She was crying after the camp because she just can't bear to say goodbye to everyone she met these few days! Thank you YMCA for bringing Abbie an unforgettable experience this summer! — **Parent of Abbie**”

“The YMCA leaders are truly amazing — full of energy and kindness. My child adores each and every one of them. I especially want to thank the leaders for going the extra mile to care for my child, who has eczema and requires special attention after swimming. It was such a relief to see the leaders show understanding and reassure me that she would be well cared for. — **Parent of Claris**”

BALL GAMES

Basketball Day Camp (KPCC)

Invented in 1891 by YMCA instructor Dr. James Naismith, basketball is more than a game — it's our heritage. For over a century, its values have shaped players on and off the court.

At our **5-day basketball camp**, we celebrate where it all began by building skills, teamwork, and character. From learning the fundamentals to cheering on teammates, every day is about sportsmanship, confidence, and having fun.

Come play, grow, and be part of the legacy — right where the game was born.

Caring and sharing are important values we teach at camp, however, we are asking everyone to not share personal snacks during camps. Also, our staff will adhere to strict food handling procedures during cookery programs and mealtime.

Sick Campers- we will be working with all families to ensure the safety of all campers. We are asking all campers to remain at home if ill. The YMCA reserves the right to send home all ill children or staff.

Campers taking medicine- if campers need to take medicine during camps, parents need to inform the camp coordinator during registration time in the morning. You are required to fill in the Medicine Authorization Form (back of the Medical Form). For safety concerns, the coordinator will help the younger campers to keep the medicine.
